THE
• MITCHELLS •

An intricate, symmetrical white monogram frame on a black background. The frame is composed of elegant, flowing lines that form large, stylized letters 'W' and 'A' on the left and right sides, respectively. These letters are interconnected by a series of loops and swirls that form a horizontal band across the top and bottom. Small, stylized leaves are interspersed within the swirls, particularly at the top and bottom corners. The overall design is highly decorative and formal.
